Understanding the Impact of Family Routines and Rituals in Relative & Kinship Families

Relative & Kinship Families are GRANDFamilies! Grandparents, Relatives, and Other Loved Ones Providing Care are invited to participate in a brief, paper-based survey research study.

Your unique family will identify how you spend time together and how your children aged 3-17 are doing at home. Your child’s teacher will be asked how he/she is doing in school.

Your participation can help us learn what works to keep relative and kinship families healthy and their children successful.

For your participation, you’ll receive a Kinship Care Resource Guide and be entered in a drawing to win a $100 Wal-Mart gift card PLUS teachers will be entered in a drawing to win a $20 Subway gift card.
